

American Ambulance is looking to hire California licensed Paramedics. Located in the central San Joaquin Valley, American Ambulance is the sole 9-1-1 provider for over 6,500 square miles of Fresno and Kings Counties. Our service area ranges from the Sierra Nevada Mountains, through the San Joaquin Valley and into the Coastal mountain range. We serve a population base of over 1,000,000 people from many diverse cultures, and run well over 200,000 calls for service a year.

Our employees work under progressive treatment protocols and use the most recent, state-of-the-art equipment, such as Mercedes-Benz “Sprinter” ambulances, Zoll X Series monitors and Stryker Power-Pro gurneys. Other benefits include:

- Starting base pay range of \$41.6k - \$51.9k (48 or 60 hour work week)
- 3 or 4 day work weeks
- STAR Rescue Team
- SkyLife Helicopter
- Paid vacation and sick pay
- Paid Continuing Education
- Free ACLS/PALS/PHTLS/BCLS classes
- Certification/license reimbursement
- 401(k) with 100% employer match
- Health Club Benefit
- Medical, vision, dental insurance
- Company provided long term disability and life insurance
- Company provided uniforms
- Training and Preceptor opportunities
- Newly licensed Paramedics welcomed

At American Ambulance, **YOU** are the Paramedic in charge. Ambulance staffing is one Paramedic/one EMT and there are ***NO ALS 1st RESPONDERS***.

If you are looking for an employee friendly company and a work environment that puts your Paramedic skills to the test, then American Ambulance is the place for you.

If you are interested in joining our team, go to www.ameriancamubulance.com and click on “Careers” or contact Theresa Herrera, Hiring Coordinator at (559) 443-5941.

American Ambulance is proud to be an Equal Opportunity and Patriotic Employer
